

Antibiotics & You

For antibiotics the rule is clear.
It's simple, it's easy, it's important to hear.
These drugs fight bacteria, not viruses, you see.
But take as directed and better you'll be.
Don't misuse them or share them or save them, my dear.
Or else they won't work when you need them, I fear.

Stay healthy, drink fluids
and always be clean.
These rules are good,
they're not meant to be mean.
Antibiotic misuse is a danger.
Preserve our lifeline,
be a Resistance Ranger.

I pledge to help Resistance Ranger fight Antibiotic Resistance.
